MISSION LEADERS. RELIABLE SOLUTIONS.

sdl.usu.edu/welcome

JOIN THE SDL TEAM!

If you are interested in being part of a leading mission solutions team, visit the Space Dynamics Laboratory booth to learn more about our exciting opportunities.

As a trusted mission partner, we specialize in:

- CubeSats to ESPA-class satellites
- Optical payloads
- RPO/GN&C solutions
- End-to-end ground solutions

WHY CHOOSE SDL?

THE PEOPLE.

Our employees are experts in their fields and provide friendly, supportive collaboration.

AMAZING BENEFITS.

Who else offers 14.2% employer retirement contribution (no employee match required), generous leave, college tuition options for employees and their families, flexible work schedules, and great insurance plans?

EMPLOYEE SATISFACTION.

With a turnover rate half of the industry average, our employees love working at SDL.

THE LOCATION.

Logan is minutes away from a wide range of outdoor recreation activities. It also boasts a low crime rate, strong education system, and a low average commute time (12 min).

OUR HISTORY.

For over 60 years, SDL has been building a strong work culture where we value, develop, and recognize our employees. Our incredible teams have earned SDL's outstanding reputation in the industry.
